WPMS NO. 544 of 2003

Hon'ble P.C. Verma, A.C.J.

Heard Sri Samjay Kaushik, learned counsel for the petitioners.

The writ petition is disposed of finally with the direction that merely on the basis of mutation order, the disbursement of the amount of compensation payable under the Land Acquisition for the land in dispute can not be made. It is open for the petitioners to file an objection claiming their shares of compensation before the Collector who may refer the matter to the District Judge under Section 31 of the Land Acquisition Act for the settlement of the dispute of title, so that the compensation may be paid to the real claimant.
